

NATIONAL RECOGNITION OF THE OUTSTANDING
SERVICE OF STATE 4-H CLUB LEADERS.

Twentieth Anniversary
of the
National 4-H Club Camp

June 15, 1950

Each year since 1939, at the National 4-H Club Camp, held in the Nation's Capital, recognition has been given to the State and assistant State 4-H Club leaders who have rendered, for 25 years or more, effective and devoted service in the development of 4-H Club work.

As a part of the observance of the Twentieth Anniversary of the 1950 National 4-H Club Camp, a gold 4-H key will be presented to each of these State and assistant State Club leaders who have so loyally served. It seems fitting that such added recognition should be given at this time. For ever present are evidences of the far-reaching influence of these outstanding leaders of youth. Their influence is recognized in --

The steadily increasing enrichment and strengthening of the 4-H Club program;

Public appreciation and heartening acclaim now being given the 4-H Club program throughout the United States;

Enthusiastic adoption of the pattern of the 4-H program by many other countries throughout the world, because of the high 4-H ideals and challenging worth-while activities in shaping the lives of rural young people;

The increasing opportunities being provided young people everywhere through the 4-H Club program for the wholesome exchange of constructive ideas and ideals.

Through such efforts, these 4-H leaders are bringing about greater understanding and good will among youth of all nations leading inevitably to lasting world peace and social progress.

1939
